**Latrini u Massiela**

Ir-Rumani ma kinux jahslu l-hwejjeg id-dar. Minflok kienu johduhom ghand hassiela (fullones), li kienu juzaw prodott ewlieni biex inaddu:

**Toilets and Laundries**

Romans did not wash their clothes at home. Instead they took them to laundry cleaners (fullones), who used one important cleaning agent: urine.

**Važi fit-triq**

Važi kbar (dolia) kienu intużaw bhala stopp (jew awrinarju?) f'toroq sekondarji. L-awrina, imbaghad, kienet tintuża għall-hasil tal-hwejjeg.

**Street Pots**

Large pots (dolia) were usually placed in side streets for people to pee in. The urine was then usually used as a laundry cleaning agent.
